✔ Currently indexed in FSTA

What does this mean?

Our editorial team have assessed the journal and it passed our criteria for indexing. **Find out more.**

You can be confident that the journal is not predatory.

Dear Dr. M. H. Azizi,

We unfortunately do not have a link that will send people directly to a page that shows that the journal is indexed in FSTA. However, we do have Journal Lookup Service which can be used to search for a journal to check whether it is indexed in FSTA, which I hope will be suitable for your needs: Search the FSTA Journal Database | IFIS [1] . Your journal is currently present under the title "Iranian Journal of Food Science and Technology", as we are still processing issues under this name. However, we hope to make the change to "Journal of Food Science and Technology (Iran)" shortly.

I have attached two versions of the FSTA logo, which you may use on your website.

Best regards,

Dear Dr Mohammad Hossain Azizi,

Thank you for your application for __Journal of Food Science and Technology (Iran)__ to be indexed in FSTA, and apologies for the delay in getting back to you. I'm pleased to be able to let you know that your journal is already being indexed in FSTA.

With thanks and best wishes,

Naomi
